I know just what I say. My record as a in the Southwest. Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be bind the prescription counter in the city in which I now dwell; I have cured more people of various diseases than all the physicians in Louisville put together. Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am so upstart of yesterday. My Medicine are a success—a great success. Louis wille is not large enough for me to have a

One and another has tried, by copying after me here In Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive. My Medicines are good and answer the purpose—that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established. JOHN BULL, M. D. Manufacturer and Vender of the CELEBRATED

FOR THE CURE OF AGUE AND FEVER

CHILLS AND FEVER

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been Southern Express Company sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued | Territories; also to all points in Europe. in smaller doses for a week or two after the disease has been checked, more especially in oct 12 disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medi-cine, fter having taken three or four doses of the Tonic, a single dose of BULL'S VEG-TRALE FAMILY PILLS will be sufficient.

Extract of a Letter from Georgia. VILLANOW, WALKER COUNTY, Ga.,) June 29, 1866. Dr. John Ball-Dear Sir; I have recently HICKMAN, given your Worm Destroyer several trials, and find it wonderfully efficacious. It has

not failed in a single ipstance to have the large country practice, and have daily use only the Salt Company. JULIUS P. CLEMENT, M. 'D.

P. S .- So unqualified and numerous are the testimonials in favor of no Worm Destrover that newspaper space is entirely too Sugar. Coffee and Molasses, etc., constantly small to tell its merits. It is an infallible remedy for Worms. Try on hand. it and be convinced. See my journal for a more full description. JOHN BULL.

Dr. John Bull-Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case: I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the bins. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsa- ITALIAN AND AMERICAN MARBLE parilla than in any thing else. I wish that that is genuine. Please express me half a

dozen bottles, and oblige CAPT. C. P. JOHNSON, ful surgeon. His mother recommended to her friends, and for many years used my Sarsaparilla with perfect success. In Scrof-ula dd Pever-sores Mrs. Johnson states that the cures effected were almost miraculous. Read my Journal for extended information and advice in your case. My Journal contains certificates of eminent Boot and Shoe Makers, persons, ministers and medical men-men who are known here in this community for JACKSON STREET, HICKMAN, KY, integrity and veracity. I have recently received a most remarkable certificate from an eminent gentleman of Louisville.
